

REMARKS

Applicants respectfully request that, upon allowance of a generic claim, claims directed to other species and including all the limitations of the allowed generic claim be considered, in accordance with 37 C.F.R. § 1.141. The preceding amendments to the specification and claims 22, 23 and 25 merely better conform the language to U.S. practice and do not add any new matter to the application.

Respectfully submitted,
